The magic of Christmas came alive at Multicap!

Carols @ Multicap 2010 saw over 1,500 guests from the local community come out to enjoy the festive celebrations held at Multicap. The fourth annual Carols @ Multicap event saw the largest crowd to date and the magic of Christmas came alive as the local community came together to enjoy a night filled with great performances and an enthusiastic carolling.

Guests decked out on the Multicap hill to watch the star studded line up of performances and were enthralled by the musical stylings of Jal Joshua, 2009 runner up of Australia's Got Talent, and Kim Durant, hit single Love you Brisbane.

Multicap's Chief Executive Officer, Joanne Jessop, says Carols @ Multicap is a great platform that allows people with disabilities the opportunity to showcase their talent and participate in their local community.

"It was great to see such a wonderful turn out for this year's Carols @ Multicap and so many smiling faces singing along with the carols. All of which was made possible by the support from our major sponsors the MacGregor Ward and Councillor Quirk, Quest Community Newspapers Southern Star, and The Office of the Public Trustee." Ms Jessop said.

A special thanks must also go to Classic Sponsors; Macgregor Lions Club, IPG Print, Wishart Rotary Club, and Signwave as well as the many other businesses and individuals who provided support for the night with donations of raffle prizes and food products and by volunteering their time.

Carols @ Multicap 2010 has raised vital funds for Multicap to use for resources and programs that are accessed by the people with high needs disabilities Multicap supports.

This successful annual events will continue and Carols @ Multicap 2011 will be held Saturday, 26 November 2011, to keep up to date with all Multicap events, head to www.multicap.org.au
